**PETITION UNDER 37 C.F.R. 1.181(a) FOR RE-MAILING OF NOTICE OF
ALLOWANCE AND RE-START OF ISSUE FEE DUE DATE**

Sir:

This Request is being filed in response to the undersigned receiving a Notice of Abandonment on May 25, 2007 in connection with the above application.

Upon receiving the Notice of Abandonment, the undersigned checked the U.S. Patent Office's online PAIR system and determined that a Notice of Allowance was allegedly mailed in connection with the above application on or around January 24, 2007. However, after thoroughly reviewing the firm's docketing records and Incoming Mail Log (copies of which are attached per MPEP 711.03(c)(IA) as Exhibits A and B) for the application, as well as the application file itself, the undersigned has determined that the Notice of Allowance was never received.

Serial No. 10/622,776

In view of the above remarks and the attached exhibits, Applicant respectfully asserts that a Notice of Allowance with a mail date of January 24, 2007 was never received, and petitions that the U.S. Patent Office re-mail the Notice of Allowance and re-start the three-month issue fee payment due date. Although no additional fees are believed to be due, authorization is hereby given to charge any unforeseen fees to deposit account 50-1147.

Respectfully submitted,

David G. Posz
